Business partner for B2B telemarketing activities.

Are you interested in building up your own business?
Does self-dependence and pay-as-deserved mean something to you?
If not, you don't have to continue reading.

100 PLUS has developed a lucrative and effective concept for the booking of executive business meetings B2B for smaller and medium sized companies. We are seeking 2 partners in Sweden and 2 in Norway to build up this business.

We have offices in Denmark and Germany, and are now expanding to the rest of Scandinavia because our customers want to look up customers here. The advantage of this is that we all can offer our customers to book their business meetings in the other countries in the native language.

Your responsibility will be to build up your own customer portfolio and to employ project consultants for booking of the meetings.

The income possibilities are very attractive for you, your Key Account Managers and Project Consultants.

We deliver:

- Exclusive right to market 100 PLUS telemarketing in your area
- Access to our internal data base, with ready-to-contact leads
- Access to an external data base (Nordic Business Key)
- Web page in your language
- E-mail addresses
- Business Cards
- All internal and external documents in Danish
- The manual in Danish
- Training, close cooperation, hotline support

Your education is not important; the most important is that you are experienced within B2B-sales and have a broad knowledge of the business world.

Is this of interest to you? Then please send your motivated application to olebuch@100-plus.dk You are very welcome to call me at +45 46 96 38 70 or Skype: olebuch2363. We look very much forward to hearing from you.

100 PLUS was established in 1993. Our consultant's competence lies within developing strategy, staff and marketing. We bring our customers from targets to results. We take them all the way. Therefore we also conduct booking of their business meetings.
